

Lecture: Introduction to My Very Own Science – Basics and Theories

Dr. Paula Pan

Summer Term 2015

Schedule

04/01 Introduction to the Introduction

I. My Very Own Science: Rationale

04/08 Other Sciences: Wrong Tracks and False Facts

04/15 My Very Own Science: The Better Way

II. The History of My Very Own Science

04/22 The Beginnings

04/29 First Results

05/06 **Dies Academicus – No Lecture**

05/13 Concurrencies

05/20 The Decision: Ignoring Others

(25. 05. – 06. 06.: Whitsun Holidays)

III. Theories of My Very Own Science

06/10 Determining the Essential

06/17 Focusing the Essential

06/24 Recapitulation of the Essential Determination

IV. Empirical Fields

07/01 The Local Field: My Department

07/08 The Rest: The World

07/15 Conclusions

Office hours: Sunday, 02.00–03.00 a. m.
