LEC Introduction to My Very Own Science – Basics and Theories

Dr. Paula Pan

ST 2015

Introduction to the Introduction (04/01/2019)

Schedule (1/2)

04/01 Introduction to the Introduction

- My Very Own Science: Rationale
 04/08 Other Sciences: Wrong Tracks and False Facts
 - 04/15 My Very Own Science: The Better Way
- II. The History of My Very Own Science
 - 04/22 The Beginnings
 - 04/29 First Results
 - 05/06 Dies Academicus No Lecture
 - 05/13 Concurrencies
 - 05/20 The Decision: Ignoring Others

(25. 05. – 06. 06.: Whitsun Holidays)

Schedule (2/2)

III. Theories of My Very Own Science

- 06/10 Determing the Essential
- 06/17 Focusing the Essential
- 06/24 Recapitulation of the Essential Determination

IV. Empirical Fields

- 07/01 The Local Field: My Department
- 07/08 The Rest: The World
- 07/15 Conclusions
